

Historic Christ Church & MUSEUM

Volunteer Application

Volunteers are the backbone of Historic Christ Church & Museum. We could not open our doors, present programs and engage the community without our volunteers' enthusiasm and dedication. Although we have flexible scheduling, most volunteers serve between three to six hours per month from April to November. Training is provided with continuing education programs year-round. Period costumes are strictly optional. Positions are non-paid but benefits include meeting new friends, learning, camaraderie and having fun. We have a special place for you!
