

The Holly & The Ivy Replaced by Food Drive in 2021

For many years, the community has been invited to ring in the Christmas season with a caroling event inside Historic Christ Church in Weems. The last “The Holly & The Ivy” concert held in 2019 drew over 300 attendees. After considering several options, the Foundation for Historic Christ Church chose to cancel this popular event for 2021 rather than put limitations on the number of attendees due to public health concerns.

In the spirit of “The Holly & The Ivy,” however, Historic Christ Church & Museum will again serve as a drop off site for non-perishable food donations to the Healthy Harvest Food Bank, which has collected donations at “The Holly & The Ivy” since 2007. From mid-November through December 22nd, the community is invited to take part in this annual food drive by bringing canned goods and other non-perishables to Historic Christ Church & Museum, 420 Christ Church Road, Weems, VA, between the hours of 8:30 a.m. to 4:30 p.m. Monday through Friday.

Historic Christ Church & Museum closes for the season on November 30 and will reopen in April 2022.
